

English – Spelling

Whole School Scheme of Learning

This scheme of learning should be used in conjunction with the schemes of learning for writing composition, grammar and punctuation, phonics and handwriting.

Spelling Shed is used primarily to support the teaching of spelling in Key Stage 1 and 2. It is used to create purposeful and strategic spelling lessons that put a more creative spin on practice. Customised spelling lists can accompany any learning unit to address particular problem areas or needs. Custom lists can also help accompany science, history, literature, or social studies lessons. Students can practice spelling the new words and then explore their meaning and usage in context.

Whole class hive games can also be accessed to conduct spelling quizzes and address challenges in real time. There are 36 weekly spelling lists in each year group based on KS2 National Curriculum spelling rules.
